## Catalog

Catalog represents a SYSTEM by which we ensure academic integrity.

- The New Unit of Instruction (NUI) and Reasonable and Moderate Extension (RME) are **formal processes for approving**, implementing and maintaining academic offerings for a specified academic year.
- **Catalog year** covers an academic school year beginning with summer and concluding with the spring semester.
- Catalog (Degree Requirements) along with **Master Course File** provide a method by which we manage curriculum and verify compliance.

## Catalog (Year)

Catalog year policy **guarantees** a consistent program requirement for a period of seven years. The catalog system is dependent upon **timeline** and the common understanding of a comprehensive set of protocol supporting the review process.

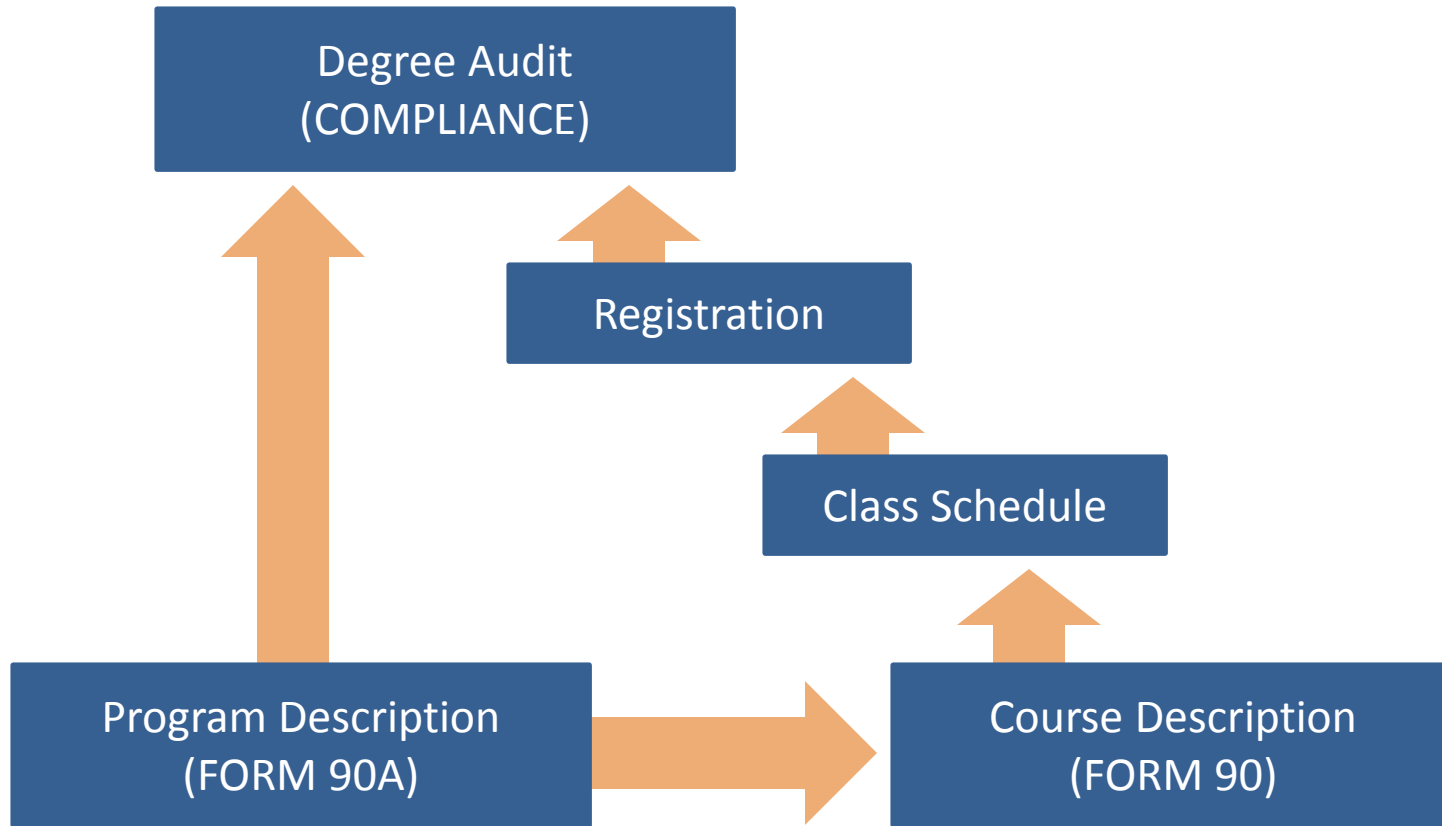

Once academic offerings for a school year have been published those requirements must remain constant; representing a **contractual agreement** between the institution and the student.

# “Selective” Admission Criteria

I recommend your approval of the stated admission criteria which is beyond that of the University's, as provided in SIU Carbondale Admission Policies A.I.A.1. The admission criteria are below and attached as catalog copy.

All students who plan to major in Music will first be admitted as Pre-Music students provided they meet the University's admission policy. Beginning freshmen and transfer students are required to audition in person or by recording prior to admittance to the desired specialty in music. Following a successful audition, students will be granted the status of music major and be allowed to register for classes in the desired specialty.

# “Selective” Admission Criteria

All applicants must satisfy standard University baccalaureate entrance requirements in order to be admitted into the University and included in the Architectural Studies applicant pool. Enrollment in the Architectural Studies program will be based upon selective admission criteria. High School graduates will be evaluated on ACT results and class rank. Transfer and change of major students will be evaluated on grade point average as calculated by Southern Illinois University Carbondale.

## Welcome!

The Student Information System (SIS) team, a sub-unit of [Information Technology](#), manages all aspects of the student information system including system administration, application development, upgrades, system integration, reporting, etc. The unit supports students, administrative staff, and faculty by providing them with technology and systems to manage the entire student life cycle.

The underlying student information system is based on Ellucian's Banner product. The Student and Financial Aid modules provide the backbone for the Banner implementation at SIUC. Many other supported products have been integrated with Banner to make up the SIS. We invite you to check out our "What Is?" link above for more information.

Having trouble accessing our products? Please read our FAQ's regarding access and issues you may have.

## DEGREE ATTRIBUTES

Used to identify categories of degree requirements

- IAI – Illinois Articulation Initiative
- UHON – University Honors Program
- UCC – University Core Curriculum
- SRHR – Senior Institution Hours

# Southern Illinois University Carbondale

## Pre-Requisites, Co-Requisites and Restrictions

**Pre-Requisites** - course(s) credit required to support registration.

*MATH 108 Pre-requisite for MATH 109*

**Co-Requisites** - course(s) that are required to accompany registration, what was previously referred to as “Concurrent Enrollment.”

*CHEM 200 requires Co-requisites: CHEM 201 and CHEM202*

# Southern Illinois University Carbondale

## Example of Common Error

The following example has been used to illustrate a common error seen throughout the catalog: the presentation of a restriction as a prerequisite.

395-3 Honors. Great ideas and works of history, with discussion of conflicting interpretation of major historical problems.

**Prerequisite:** junior standing and consent of department.

**Restricted to junior standing. Special approval needed from the department.**

# Southern Illinois University Carbondale

## Defining and Building Rules for Pre-Requisites

451A-3 Biochemistry. (Same as Biochemistry 451A and Molecular Biology, Microbiology and Biochemistry 451A) Chemistry and function of amino acids, proteins, and enzymes; enzyme kinetics; chemistry, function and metabolism of carbohydrates; citric acid cycle; electron transport and oxidative phosphorylation. Three lectures per week. Must be taken in A,B sequence. Prerequisite: **one year of organic chemistry.**

Banner requires that “one year of organic chemistry” be indicated **CHEM 340** and **CHEM 342** in order for pre-requisite checking and degree audit.

# Southern Illinois University Carbondale

## Pre-Requisite Rules: **Minimum Grade Defaults**

- 400 level and below - default is D
- 500 and above - default is C
- LAW minimum grade is 1.3

*We are currently unable to offer Grade Point Average calculations on groups of courses.*

# Southern Illinois University Carbondale

## Example of Pre-requisite and Restriction

334-3 Database Processing. This course is designed to provide students with an understanding of advanced database processing concepts and various database management systems. Topics will include data modeling, database design, database implementation using a relational database management system, database administration, and distributed processing. A grade of C or better is required. **Prerequisite: IST 234** or equivalent with minimum grade of C. **Restricted to IST majors.**

# Southern Illinois University Carbondale

## Co-Requisites, or “Concurrent Enrollment”

101-3 DC-AC Circuit Analysis. This course covers the theory and application of passive DC and AC circuits presented in a comprehensive manner using qualitative and quantitative methods. Theoretical topics such as Ohm's Law and Kirchhoff's Law are applied to analyze DC and AC circuits. **Co-requisites: EST 111 and MATH 125.**

*If the course allows concurrent enrollment in the pre-requisite the allowance can be indicated in the course rules in Banner*

226-2 Clinical Applications in Athletic Training. This course is designed to familiarize the beginning athletic training student with all aspects of prophylactic taping, wrapping and use of braces for athletic training injuries. In addition, within the course students will be presented with basic skills, such as: splinting, taping, record keeping, wound care, measurement of vital signs, and illness assessment. Fee: \$50

**Prerequisite: KIN 225 or concurrent enrollment in KIN 225.**

# SPECIAL APPROVALS

Controls set by Scheduling on the **section number** (CRN) and replaces “controlled enrollment.” Students will receive one of two error messages during registration when a special approval (SA) is needed.

SA-Departmental Approval

SA-Instructor Approval

Special Approval course require a registration override **every time.**

# Southern Illinois University Carbondale

## SPECIAL APPROVALS - **Section Level by Scheduling**

An email from the Department Chair or established designee must be sent to the Scheduling office ([mwill@siu.edu](mailto:mwill@siu.edu)) **each semester** identifying all courses needing special approval coding and the type of approval. Although there are many types of special approval options listed Scheduling utilizes only three; advisor, department, and instructor.

## REGISTRATION OVERRIDES

Registration overrides can be performed by:

- **Instructor** of record in Self Service Banner.
- **Academic Advisor** in INB.

*Make sure permission is obtained prior to making the override and keep the documentation in the student's file in case there is a question at a later date.*

## REGISTRATION OVERRIDES

**CAPACITY** – Classroom capacity (closed class)

**CLASS** – Classification restriction (FR, SO, JR, SR)

**COLLEGE** – Restricted to specific college

**DEGREE** – Restricted to specific degree (BFA, MA, PhD, etc.)

**LEVEL** – Only used by Law School

**FIELD OF STUDY** – Restricted to specific major (FIN, PSYC, etc.)

**PROGRAM** – Restricted to specific program (EH-BS-MATH)

**TIME** – Time conflict created by time overlap of two courses
